CANCELLATIONS

The agreement represented by this authorization will remain in effect until canceled by the employee, the financial institution, or the State agency. Employees should maintain accounts canceled and replaced by new accounts until the new transaction is complete. If canceled accounts are not temporarily maintained until the new account receives the employee's direct deposit transaction, employees may experience a delay in payments. The financial institution may cancel the agreement by providing the employee and the State agency with a written notice 30 days in advance of the cancellation date. The financial institution cannot cancel the authorization without notification to both the employee and the State agency. The State agency may cancel an employee's direct deposits when internal control policies would be compromised by this form of salary payment.
