RE-APPLICATION FOR NON-STANDARD TEST ACCOMMODATIONS (NTA)

If you have been previously awarded testing accommodations for the New York State bar examination and/or New York Law Exam (NYLE), and sat for either or both of those examinations with the awarded accommodations within the last three years, you should use this application. Late or incomplete applications will be rejected and not considered. Please refer to the instructions which accompany this application when completing this application. NOTE: Faxing your re-application does not satisfy the filing requirement or relieve you of your responsibility to ensure that your original signed re-application is received in the Board's office no later than the filing deadline. Please note that this is NOT a "postmarked by" deadline. Additionally, you must timely re-register to sit for the bar exam and pay the appropriate application fee. Please refer to our web site for instructions on how to re-register to sit for the bar exam using your existing BOLE ID.

7. Medical Documentation:

A. If your re-application is based on (1) *a recent or temporary physical disability* or (2) *a psychiatric disability*, the Board must have on file medical documentation which is no more than one year old (measured from the date of the evaluation to the date of this re-applicant request for test accommodations). If your documentation is outdated, you must supply new supporting documentation in full compliance with the Board's documentation guidelines. *If you are re-applying on the basis of a disability or condition, you **must** submit comprehensive medical documentation in compliance with the Board's documentation guidelines, just as if this were an initial application.*

B. If you checked question 6[B]: If you are requesting different accommodations based on a change in the nature or extent of your disability or a new medical evaluation, you **must** submit new comprehensive medical documentation which demonstrates the change in your disability since the last bar examination you took. Your new medical documentation must be in full compliance with the Board's guidelines which are included in these application materials. Failure to provide new supporting documentation will result in the denial of your request for different accommodations, and your application will be treated as one for the same accommodations you received on the last examination.

8. Laptop Program (does not apply to NYLE): If the bar exam is the in-person type that was administered regularly before the Covid-19 pandemic, candidates have the choice of completing the MPT and MEE by laptop, or by handwriting. If laptop is desired, **you must also check "Yes" on the general online bar examination application where it asks if you want to participate in the laptop program and follow all instructions and emails.**

I understand that for an in-person bar exam, I must register and timely complete all steps for the laptop program, or else I will have to handwrite the MEE and MPT

9. Test Center: If the bar exam is the in-person type that was administered regularly before the Covid-19 pandemic, the Board has two primary test centers for applicants with disabilities: one in New York City, and the other in the Albany area. Seating is no longer based on an applicant's residency. First-time applicants who graduated with a

Juris Doctor degree from a First or Second Department law school will be given first preference to available seats at the test center in the New York City area. First-time applicants who graduated with a Juris Doctor degree from a Third or Fourth Department law school will be given first preference to available seats outside of the New York City area. All other applicants, including all repeat applicants and all applicants attending law school outside of New York State, will be assigned to a test center where seats are available. Seating availability will not be known to the Board staff until approximately four weeks after the application period closes. Seating in either New York City or Albany for a previous administration of the exam does NOT guarantee the same seating location for a future exam. If an applicant has a preference for seating, that preference can be stated but is NOT guaranteed. I prefer a seat in (check one, or leave blank if no preference): _____ New York City _____ Albany area
